Must see! Country feel with the convenience of living in town. Fully remodeled 4 bed/2 bath, large open single-level floor plan with spacious master suite that must be seen to appreciate. Recent additions of the expanded master suite and family room feature vaulted open beam ceilings and sliding barn doors. Master bath has huge marble shower, clawfoot tub, walk-in closet, and home office off master. All wood floors throughout. Updated kitchen with custom oak countertops and stainless steel appliances. Expansive grounds with mature landscaping including 18 fruit trees, grape vines and a large garden area with 11 fully planted raised beds. Private patio area off master and fire pit area just outside the family room. Great entertaining spaces inside and out. Recently replaced roof, furnace and new concrete driveway and garage slab. Property backs to an open area with a creek and is moments away from Oliver's Market and restaurants.
